

Garth A. Humbert

Creative Director | garthhumbert.com

BIO

An experienced graphic design professional currently leading the creative teams at Xenon Ventures (Qualaroo, I Done This, Delight, and AccountDock).

Previously was creative lead at RightScale, RightSignature (acquired by Citrix), Backyard (acquired by PixelFish), Exceptional (acquired by Rackspace) and Brendan's Irish Pub & Restaurant (three Southern California locations).

A communication expert, highly organized team player, meets deadlines, strong leader, and a mentor to junior staff.

HIGHLIGHTS

Xenon Ventures (2013-present)

Creative Director for an internationally distributed design and development team (Las Vegas, Santa Barbara, San Francisco, San Antonio, Poland). Responsible for brand cohesiveness and strategy for all consumer touchpoints - website, mobile, and marketing for four growing SAAS companies.

xenon.io

BabyJunk (2012-2013)

Design CoFounder of a three person funded startup that built a Facebook integrated parental resource for buying and selling used kid's stuff. Translated user feedback into visual interfaces, creating new approaches to solve complex design problems.
